

# The Drover

## Features:

- Two sided parallel squeeze
- Rubber lined headbail (rubbers optional)
- Full walk through vet facilities
- Floor (optional)
- Spring loaded headbail (spring loaded optional)
- Nearside/ Offside operation
- Three models to choose from, Top of the range, Mid and Basic

The Drover is a streamlined version of the Exotic, catering for the cattleman that has a more basic operation. Though it still illustrates the ability of use for cattle that require positive handling.
